(See SPECIFICATIONS)

Insert the HM-153L, then tighten the screws of the plug.

Thank you for purchasing the HM-153/L/P/PL EARPHONE-MICROPHONE. This product has a convenient clip to attach easily to your clothes, etc. Please read these instructions thoroughly before operation.

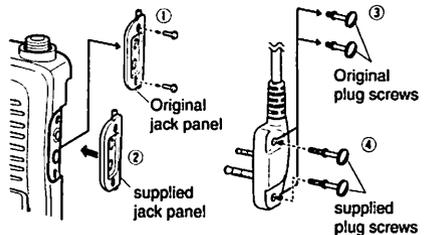

⚠ CAUTION!

- **NEVER** operate the transceiver with a earphone at high volume levels. Hearing experts advise against continuous high volume operation. If you experience a ringing in your ears, reduce the volume level or discontinue use.
- **DO NOT** place excessive stress on the cable, as the cable may be damaged.
- **TURN** the transceiver's power **OFF** when connecting/disconnecting the HM-153/L/P/PL to/from the transceiver to ensure the correct operation.

For IC-3FGX and IC-F3G series transceivers

When using the HM-153L with the IC-3FGX or IC-F3G series transceiver, use the supplied jack panel and plug screws as follows.

*Detach the battery pack.

- ① Remove the original panel.
- ② Attach the supplied panel.
- ③ Remove the original screws.
- ④ Attach using the long screws supplied with the HM-153L.

Keep the removed panel and screws for operation without the HM-153L.
